

Important Information

New Customers

Ordering Process...

- Request quote via phone, fax, email, or through our website.
(Include plant list with size, quantities, ship date / location, and if delivery quote is needed)
- Include company contact information with request.
- We will return a proposal to you with pricing, available plant sizes, and other terms.
- Contact us again if you would like to turn that proposal into an order.
A proposal is NOT considered an order. *(Please indicate any changes)*
- We will confirm the order based on our inventory, if a deposit is required, and can schedule delivery or a pickup at that time.

What's New for 2010

- ***Female Owned and Operated, MDOT MBE / DBE certified #10-359.***
- Cost effective shipping for large orders in state and out of state.
- Convenient summary of species by wetland status.
- Larger inventory of trees at 1" to 1.5" caliper.
- United Colloids Tree Collars are back.

What's the Same for 2010

- We continue to offer dependable service and quality.
